# ICONS OF THONET HOME OFFICE

---

The S 64 Atelier: a classic starts to move:  
The working world is changing – home offices and studio offices are places where mobility, flexibility, and communication play a decisive role, places where furniture classics that comply with modern lifestyles also have a place. For this purpose, Thonet makes an icon of classic furniture design mobile – valid to this day in its formal language: the chair S 64 by Marcel Breuer.
